Re: United Exceptions to Administrative Law Judge Opinion and Order

Dear Sir or Madame:

On page 12, Finding of Fact No. 33, the Administrative Law Judge states that he cannot agree with Staff to administratively close Docket No. W-02056A-03-0490.

We believe that Staff took the appropriate position which best serves the public interest.

Staff concludes it would not be in the public interest to pursue or further process the sale of assets and CC&N cancellation for the Glenarm Farms area and recommends that the Commission administratively close Docket Number W-02056A-03-0490 and remove the appropriate area from Wilhoit's service territory as shown on the Commission's CC&N maps.

We agree with Staff and request that the Commission administratively close Docket No. W-02056A-03-0490. All those water users are now served by the City of Avondale.

Cordially,

Douglas G. Martin
